## WORK EXPERIENCE

### Safety Coordinator / Submaterial

Dec, 2018 - Dec, 2019

- Develop and administer safety presentations to employees
- Work with regional businesses (Elevate, Medley Equipment, R.S. Hughes, 3M) for safety and ergonomic benefit
- Evaluate and design written programs (Respirator Protection Program, Accident Investigation, Emergency Action Plan)
- Maintain safety equipment (Eyewash stations, First Aid Kits)

### Supervisor of Gluing / Submaterial

Apr, 2016 - Dec, 2019

- Establish standards for bonding textiles to substrates utilizing water-based and solvent-based adhesives.
- Facilitate an organized and professional work setting (improved ventilation, wall organization, ergonomics work stations)
- Train employees on proper techniques working with HVLP guns, Pressure pots, air compressors, and protective equipment)
- Participate in weekly production meetings and available leadership seminars
- Research lean manufacturing and alternative methods of production (Computer Numerical Cutting, Kaizen)

### Instructor of Record / University of New Mexico

Aug, 2012 - Aug, 2015

- Designed and taught a skills-based curriculum for five semesters to reflect course objectives for both beginning and intermediate studio classes.
- Conduct project evaluations and administer grades, host office hours outside classroom time, perform presentations.

Drawing I, II (Arts 106 / 205)  
 Painting I, II (Arts 207 / 208)  
 Art Practices I (Arts 125)

## AFFILIATIONS

### FUSE Makerspace / Member

Aug, 2018 - Present

- Computer Numerical Cutting (CNC)
- Epilog Laser Cutting
- AP Laser Engraver
